To:        Class of 2019  
From:  Mr. Kevin P. Whitney, Dean of Academic Affairs

TO-DO ITEMS

- **Review Student Policies & Regulations** – Enclosed in this mailing you will find your *Student Policies & Regulations Acknowledgment Card* (blue card). Please take the time to review the 2016-2017 School Handbook located on La Salle College High School website. **After your review, please sign the respective Acknowledgement card and then bring it with you to submit to your Homeroom teacher on Thursday, September 1st, 2016.** For your information, details pertaining to the start of the school year can also be found at [www.lschs.org/backtoschool](http://www.lschs.org/backtoschool).

- **Review Your Class Roster** – Rosters for the 2016-2017 school year will be available on La Salle’s student and parent portals by Friday, August 5th. Be sure to review both semester rosters carefully, prior to the start of the new school year.

**IMPORTANT INFORMATION ABOUT YOUR ROSTER**

As you review your roster information, please keep the following points in mind:

- The courses you selected in the spring are the ones we attempted to schedule. Specifically regarding * electives, every attempt was made to schedule you for the electives you requested, but there are several factors that militate against getting them all. Primarily, core courses take precedence over electives, thus are scheduled prior to them. After core courses are scheduled, electives that fit into your schedule are then added to your roster. **Please know that Academic Affairs personally reviews every schedule, and what you have received is the best combination of required and elective courses that could be scheduled given the constraints brought on by an assortment of variables.**

- Due to the size and complexity of the schedule, **La Salle cannot entertain nor honor requests for specific class periods, lunch times, or teachers** unless for reasons related to extreme or uncontrollable situations – i.e. health, physical limitations, family crisis. La Salle College High School’s Drop/Add Policy indicates **there will be no student-initiated changes to rosters after the first full cycle of the school year. The first cycle ends at the end of the day on Tuesday, September 13th.** This includes all classes, both 1st & 2nd semester.

**HOW TO HANDLE QUESTIONS ABOUT YOUR ROSTER**

Mr. Anthony Resch, Sophomore Guidance Counselor, serves as the primary point of contact for questions regarding a student’s schedule. Placement changes also need approval from the respective department chairperson. **If you wish to adjust your schedule, you are required to contact both Mr. Resch and the respective department chair.** They may be reached by dialing 215-402- and the four-digit extension number (below). **With most of our staff still on summer break, consider e-mail as an ideal means of making contact.** Personal drop-ins to the Academic Affairs Office can also be effective if a schedule is very complicated. If a student desires to set-up an appointment to meet in person, please be advised to discuss your rationale and options with Mr. Resch and the respective department chair first, prior to a meeting with Mr. Whitney.

GENERAL INFORMATION REGARDING SOPHOMORE SCHEDULES

Your roster is missing Lunch or only has Lunch scheduled for one semester

- This is done to allow certain electives to be scheduled.
- If you do not see a lunch in either semester or both of them, it is likely that your electives are there.
- In many cases your lunch will be described as a “floating” lunch which meets at different times on different days.
- If you desire a scheduled lunch over certain electives, you should contact your Guidance Counselor before the start of school.

Phys Ed II is listed among your courses

- This is an “unscheduled” course and you will see it listed on your roster in period 9.
- You will earn the credit by participation in a school sport or by successful participation in two intramural sports. Specific information regarding these requirements is available on the final page of La Salle’s Program of Studies or through your Grade Level Counselor. Mr. Anthony Resch will re-explain this policy at the beginning of school in your Group Advisory class.
- Remember, although as a freshman you likely earned 0.5 of your 1.0 credit La Salle requirement, you still have an outstanding P.E. balance. If you participated in music or art as a freshman your likely outstanding credit balance is 1.0! You need to pay attention to this and address it in the most convenient and enjoyable way possible or it may come back as an unfulfilled requirement as an upperclassman.

Your roster has the music class titled Instrumental Instruction

- If you are rostered for Instrumental Instruction, you need to report to Mr. Vettori or Mr. Ciccimaro during the first A-F cycle. You will be reminded of this at the sophomore orientation assembly, and throughout the first week of school.
- This music course is considered a “phantom” class with no official meeting time, place, or teacher.
- This course is, however, listed on your roster during homeroom for attendance purposes only; you DO NOT have music instruction at this time.
- Mr. Vettori or Mr. Ciccimaro will assign you to a meeting time, place, and teacher based on mutual convenience and availability. Both teachers are found in the music wing of the building located in La Salle’s West Wing. Please make sure you take care of this responsibility so that your music instruction can begin ASAP.

BOOK INFORMATION

- Non-religion textbooks and language workbooks are provided by the school and will be distributed in class during the first week of school.
- Purchasing your consumable books (English novels, Religion textbooks, etc…) can be done, starting on Tuesday, August 16th using the following link located on La Salle’s website: www.lschs.org/virtualbookstore

Students who may experience a roster change should put off making book purchases until their schedule is accurate and complete. Know that teachers are well aware of the flux associated with the start of every semester. Putting off this purchase, although less than ideal, is not viewed as a problem.

Questions regarding class materials:
If you have questions related to class materials, please contact the appropriate Department Chairperson using the information on page 1.

Questions regarding online book purchases:
Please be aware that LSCHS is partnered with Follett as its official bookstore vendor. Even so, students/families are encouraged to be educated consumers when determining what is best for them. Questions related to the purchase should be directed to the Follett Virtual Bookstore customer representative using the contact information supplied within the web link above; phone inquiries should use their toll free number 1-877-827-2665.
