IMPORTANT INFORMATION ABOUT YOUR SCHEDULE

As you review your roster information, please keep the following points in mind:

Academic Affairs personally reviews every schedule, and what you have received is **the best combination of required and elective courses that could be scheduled given the constraints brought on by an assortment of variables.**

The courses you selected/qualified for via placement test in June are the ones we attempted to schedule. Due to the size and complexity of the schedule, La Salle cannot entertain nor honor requests for specific class periods, lunch times, or teachers.

BOOK INFORMATION

All non-religion textbooks and language workbooks are provided by the school and will be distributed in class during the first week of school.

Purchasing consumable books for English can be done utilizing Amazon, where those respective book lists will be provided on the 1st day of classes.

For Religion textbooks, Amazon can also be utilized to purchase class textbooks using the following information:

Catholic Essentials: An Overview of the Faith, Michael Amodei, Ave Maria Press, ISBN: 9781594711459

Questions re. class materials:

Students are encouraged to wait until after their first day of class to purchase school materials, as these may vary by individual instructor.
