

## How To Access Your Schedule

1. Starting August 6<sup>th</sup>, student schedules can be viewed by first logging into the LSCHS Student Portal. If students encounter difficulty logging into the portal, they should email [support@lschs.org](mailto:support@lschs.org) for assistance.
2. After logged in, students should click on the “Student Quicklinks” menu located on the left-hand side of the screen. Next, click on Student Schedule.

*Students will notice that the school schedule looks very different than their schedules in years past. This is a result of the new master schedule the school will be operating on for the 21-22 school year. Please be aware that students will receive detailed explanations and instructions for how to read and follow their schedule during orientation days the 1<sup>st</sup> week of classes.*

# A memo for **Sophomores, Juniors & Seniors** | From Academic Affairs 2021-2022

## Review your schedule

**Student schedules can be viewed by logging in to the LSCHS Student Portal.**

As you review your schedule, double check that it meets all of the requirements outlined in this memo.

## Questions about your schedule?

**All questions about your schedule should be directed to your counselor.**

The Academic Affairs Office will not make any changes to student schedules without a written approval submitted directly by your counselor.

## Complete Summer Assignments

**All summer assignments are due on the first day of classes, Thursday, August 19th**

For questions, students should contact their respective teacher(s) via email.

## **Important Information Regarding Your Schedule**

The schedule you received is the best combination of core courses (those you must take) and the elective courses you have chosen.

If you received an elective course that you did not choose, it is either because that elective did not fit in your schedule (based on the other core courses you chose) or, you did not select enough credits during registration in the spring, thus another course(s) was added.

Due to the size and complexity of the school schedule, La Salle cannot entertain, nor honor requests for specific class periods, lunch times, or teachers.

**The entire master schedule has been constructed very precisely and students will not have an option to change the classes they selected (and that were scheduled for them) after schedules are released in August.**

	Sophomores	Juniors	Seniors
Minimum # of credits per semester	6.5 (6 core courses, 1 elective)	6.5 (6 core courses, 1 elective)	6.0 (4 core courses, 2 elective)
Lunch	Every student is required to take a lunch		
If Phys Ed II is listed on your schedule	All sophomores will have Phys Ed II on their schedule. See criteria below.	If you have Phys Ed II on your schedule, it means you still need at least a half credit to meet your graduation requirement. Seniors who do not meet the Phys Ed II requirement will not graduate.	
	Specific information regarding these requirements is available on the final page of La Salle’s Program of Studies.		
If you have a course listed that is not scheduled in periods 1 through 12	<ul style="list-style-type: none"><li>These courses include, but are not limited to: Instrumental Instruction, Independent Chorus, Art Portfolio, Advanced Ceramics, Advanced Sculpture, Advanced Music Studies, Web Site Management, Multimedia Management, and/or Network Management.</li><li>You must contact the assigned teacher to see when you meet. It is your responsibility to get this done during the first few days of school.</li></ul>		

## **Textbooks & School Materials**

<b>Textbooks</b>	Consumable book information will be provided on the first day of classes.
<b>Class Materials</b>	Students are encouraged to wait until after their first day of classes to purchase school materials, as these may vary by individual instructor. Needed materials will be outlined on the syllabus for each individual class.
