

**BROTHER KEVIN M. DALMASSE, FSC FORUM FUND  
SUPPORT FOR THE SPEECH AND DEBATE PROGRAM**

The Brother Kevin M. Dalmasse, FSC Forum Fund provides funds to support the Speech and Debate Team at La Salle College High School and supplement the team's budget. These funds are primarily intended to help offset costs for students who travel to national speech and debate tournaments, especially the National Catholic Forensics League Finals and the National Speech & Debate Association Finals. The fund also provides additional financial assistance for costs to students on the Speech and Debate Team demonstrating need.

The purpose of the fund is not to replace the funds provided by La Salle, but to supplement these funds. La Salle anticipates that it will continue to fund the Speech and Debate team at a level consistent with its current funding and to increase this funding over time in proportion with other extra-curricular activities, provided that student interest remains consistent.

SUPPORT FOR THE SPEECH  
AND DEBATE PROGRAM

La Salle College High School has a long and storied history of speech and debate activities. **The current team, nicknamed “The La Salle Forum,” was granted a School Charter in 1979 by the National Forensics League — the national high school speech and debate honors society.** Since then, the team has had six National Champions, 30 State Champions, 73 City Champions and numerous other national, state, and local awardees.

In the last 10 years, the team has been recognized with five Debate School of Excellence Awards by the National Speech and Debate Association (NSDA) in 2009 and the National Catholic Forensics League (NCFL) in 2015, 2014, 2013, 2009, and 2008. The La Salle Forum won the Philadelphia Catholic Forensics League (PCFL) Overall Speech and Debate School Championship most recently in 2015, 2014, 2013, 2012, and 2007 as well as the PCFL Overall Debate School Championship for the last 13 consecutive years (2003-2015).

In addition, during the last decade, La Salle has had two students win a national championship (Policy Debate - NCFL 2010), six students place in the Top 12 at the NSDA National Finals, and 15 students place in the Top 10 at the NCFL National Catholic Finals. Since 2004, eight students from La Salle have won PHSSL State Championships, while 17 students placed second in the State and more than 50 Explorers placed in the Top 10 at the PHSSL State Finals.
