

OFFICE OF THE PRINCIPAL

August 2019

Dear Fellow Lasallians, Class of 2023:

What are the best things you can do to get ready for La Salle?

Sure, you will need to double-check the dress code from the Student Handbook.

Yes, you will need to bring your laptop to school for your network orientation

Yes, you will need to complete your summer reading and academic assignments.

Yes, you will need to figure out your transportation, which bus, which stop, which time.

Yes, soon you will need to study your roster of classes and times.

And, yes, you will need to double-check all of the above.

But most importantly, I ask that you think of the words from Ephesians 1:18:

*May the eyes of your hearts be enlightened, that you may know what
Is the hope that belongs to this call*

This is a biblical verse which not only speaks of the heart but creates the wonderful metaphor of “the eyes of your hearts.” Briefly understood, it means opening your entire being to a new experience.

In your early days at La Salle, eat well, sleep well, and keep a good schedule. Make sure you exercise. But, beyond your good habits, open your eyes, your hearts and your minds to this new experience.

We are all here to help you. We are all here to pray for you and with you.

Enjoy the rest of your summer. See you all on August 27.

In the Spirit of La Salle,
